

Shawston Valves

Keeping the art of distribution simple

Shawston Valves

Continuing our quest to be at the forefront of innovation we have developed our own brand range of valves, Shawston Valves.

Our valve product range includes general duty valves for use in the building services, industrial and fire protection markets. Suitable for design and build contractors, and where there is an open specification in the brief you will find Shawston valves offer reliability, consistency, and quality assurances.

Sourced from quality distributors, Shawston are proud to be associated with our range of own brand products and we look forward to delivering all your valves requirements in full the very next day via our own vehicle fleet.

Shawston Valves

BSPP Female, Nickel Plated Brass Ball Valves, BSI Gas Approved

BSPT Female, Nickel Plated Brass Lockable Ball Valves

Compression Nickel Plated Brass Ball Valves, Blue Handle, WRAS Approved
